IMPORTANT NOTICES:

To be published in the IEEE WCNC 2017 Conference Proceedings and to be eligible for publication in IEEE Xplore, an author of each accepted paper is required to register for the conference at the FULL or LIMITED (member or non-member) rate, and the paper must be presented by an author of that paper at the conference unless the TPC Chair grants permission for a substitute presenter in advance of the event and who is qualified both to present and answer questions.

Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one Full or Limited Registration is valid for up to 3 papers.
